Listening songs and podcast

NISARGA D

EDUCATION

Bachelor of Engineering (2022-2026)

ATME College of Engineering, Mysuru

Pursuing a B.E. in Electronics and Communication Engineering at ATME College of Engineering, Mysuru, with Honors distinction and a CGPA of 8.48. Focused on embedded systems, electronics, and practical problem-solving.

Pre-University Education (2020-2022)

Sri Vasavi composite PU college, kollegal

"I completed my pre-University education at Sri Vasavi Composite PU College, Kollegal, specializing in PCMB along with Kannada and English, with an overall score of 78.83%."

SSLC (2019-2020)

Bhavan's Geetha Vidhyalaya High School, Kollegal

Achieved 79.36% with solid academic performance across key subjects. Medium of instruction: English, with Kannada as an additional language reflecting communication skill.

PROJECTS

ML-based Women Protection System using real-time video analysis

Mar 2025 – Present

Developed an AI-powered gender classification and safety monitoring system using machine learning and real-time video analysis. The system detects women's distress hand gestures and automatically sends alert SMS notifications to designated contacts.

Hostel and PG Booking Website

Oct 2025-present

Developed a web-based Hostel and PG Booking application using HTML, CSS, JavaScript, Python, and MySQL as part of the Software Engineering project. Designed to manage accommodation listings, bookings, and user data with a responsive and user-friendly interface.

ETL Pipeline for Weather Data

Feb 2025

Built an ETL pipeline to ingest, clean, and structure real-time weather data for analysis. Enabled automated forecasting and anomaly detection using processed datasets.

SKILLS

Technical Skills

- Web Development: HTML, CSS, JavaScript.
- Programming: Python, c programming
- **Tools & Platforms:** VS Code

Soft Skills

- Excellent communication and teamwork skills.
- Fast learner with the ability to adapt to new technologies.
- Strong problem-solving mindset and enthusiasm for innovation.
